EPS SETTLEMENTS GROUP OF CANADA WINS ICBC APPROVAL

Vancouver, British Columbia, August 19, 2016 – Effective September 1, 2016, EPS Settlements Group of Canada (“EPS Canada”) is an approved service provider for structured settlements to the Insurance Corporation of British Columbia (“ICBC”). This effectively means that claims for compensatory damages paid by ICBC can be conducted *via* a structured settlement through EPS Canada.

Bob Nigol, EPS Canada’s Managing Partner, stated, “we are absolutely thrilled to be accorded the opportunity to earn the structured settlement business of ICBC and legal practitioners throughout the province of British Columbia and elsewhere. We believe there is much that we can do to expand interest in structured settlements in British Columbia, and we encourage anyone interested in those plans to please give us a call.”

If you would like more information about EPS Canada and the suite of new products planned for the Canadian marketplace, please email us at info@epscanada.com or visit our website at www.epscanada.com.
